ONLINE ACCESS
**ANYTIME,
ANYWHERE**

Patient Portal

Keeping track of this visit
and other health information can
help you plan for a healthier future.

Get secure online access that lets you:

-  View and record your Personal Health Record (PHR) online
-  View your lab and imaging results
-  Send and receive secure messages
-  Manage your family members' care
-  Manage your medication lists
-  Request prescription refills
-  Request appointments
-  This secure portal is free
